SUPERHERO CREATURE CREATION

This is our heads or tails character creation activity. Start at the top and choose an option based on whether you flip a head or a tail. You can choose the gender of your character yourself.

You will need:
a coin, paper,
pens, pencils,
colours, optional junk
modelling stuff,
scissors, glue/sticky
tape

Superhero Creatures - Heads or tails idea generator	
Heads	Tails
Your superhero is a human shape.	Your superhero is a creature.
Your superhero has claws.	Your superhero has hands and feet.
Your superhero only has one eye.	Your superhero has more than one eye.
Your superhero can fly.	Your superhero can stick to walls.
Your superhero has hair or fur.	Your superhero wears a hat.
Your superhero works alone.	Your superhero is part of a team.
Your superhero has a high tech base.	Your superhero has an underground lair.
Your superhero has a secret identity/alter ego.	Your superhero doesn't hide who they are.
Your superhero is from planet Earth.	Your superhero is an alien.

Things to do now: do as many or as few of these as you want.

- Draw a picture of your superhero and give them a name. Ours at the top is called Fishstick Steve.
- Add labels to describe their powers
- Write some sentences to describe your superhero
- Make a model of your superhero
- Make a shoebox model of their base or where they live
- Start collecting ideas about adventures they could go on
- Role play as your superhero
